4 Speed Ceiling Fan and LED Light Wall Control

- This universal ceiling fan wall control with LED dimmer replaces a toggle switch for convenient operation.
- This four-speed fan control turns any three-speed pull chain into four speed control (high/medium-high/medium/low).
- It has a full-range touch-light dimmer on the wall plate to customize lighting levels.
- Features a snap-on, decorative front wall plate for a nice clean appearance with no visible screws.
- Requires three-conductor wire installation for use in a standard junction box.
